5. You can find a Health Department using the Quick name search.
 - Type Board of Health or Health Department in the search bar.

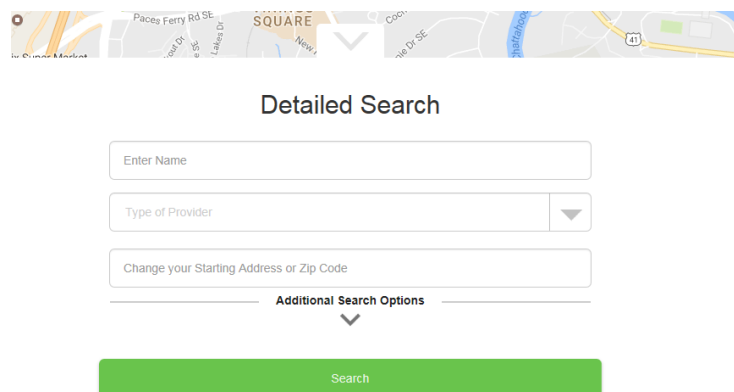

The screenshot shows the top of the Peach State Health Plan website. It features an orange header with the logo and a navigation menu. Below the header is a map of the Atlanta area. A search bar labeled "Quick Name Search" is positioned below the map. The search bar contains the text "Board of Health" and a green "Search" button is to its right.

Detailed Search Tips

Use the Detailed Search when there are certain things you are looking for in a doctor. You can look for doctors that are open on the weekends. You can also find doctors who participate in the Planning for Healthy Babies program.

1. Click Additional Search Options.
2. Select the options you want to search for.

The screenshot shows the "Detailed Search" form on the website. It includes a map at the top, followed by a search bar labeled "Enter Name". Below this is a dropdown menu for "Type of Provider". Further down is a field for "Change your Starting Address or Zip Code". A section titled "Additional Search Options" with a downward arrow is visible. At the bottom is a green "Search" button.

Here are some things to keep in mind.

1. The provider field helps you find a place like a hospital or clinic.

Change your Starting Address or Zip Code

☒ Provider ☐ Male

☐ Practitioner ☐ Female

☐ Either

2. The practitioner field helps you find a person like a doctor, dentist, counselor or other medical professional.

Change your Starting Address or Zip Code

☐ Provider ☐ Male

☒ Practitioner ☐ Female

☐ Either
