

Behavioral Health Training

Peach State Health Plan offers trainings for both behavioral health and physical health providers in our network at no cost. Our team provides mostly clinical, provider-focused education on topics that are geared towards improving member outcomes. Most of our clinical trainings also offer behavioral health continuing education hours at no cost to the attendee. **Trainings are completed via live/virtual instructor led webinars.**

How to sign up for trainings:

1. View the lists of all upcoming trainings: (both are open to all providers)
